- Tongass X

Starting Location: False Island Misty's Dock (Water) ICA) 2Z62

- Float Plane: (N57 31.9627 W135 12.8666 Hdg. 281)
- Helicopter: Position at N57 31.9469 W135 12.7269 Hdg. 213 (Brad's Barge)

Location of Emergency: Bearing from False Island is 225° for 18 miles.

Medical Destination:

Float Plane: Tenakee Springs Trauma Center Medical Dock M028B.

Helicopter: Tenekee Springs Trauma Center Helipad M028B.

Nature of Emergency: A cabin guest has injured himself with a chainsaw. Severe lacerations. Time is of the essence. Pick up patient, one other person and dog.

Emergency Location: Lake Suloia N57 25.2415 W135 43.0775 [Topo Map](#)

Emergency Way Point: E025B

- **Helicopter:** From the helipad start on the “New Brad’s B&B Barge” ICAO 2Z62, moored at the town of False Island, fly for 18 miles at 225° to the cabin on Lake Suloia. There is a small forest fire in the immediate area that must be avoided due to unpredictable updrafts. Approach destination with extreme caution. Suggested approach is from southern arm of the lake. A local fishing boat is anchored in Bradshaw Cove at the southern approach and overheard the emergency call. The crew has lit a signal flare to help you find your way into the arm. The cabin is located at the NW end of the lake. Pick up the victim and transport to Tenakee Springs Trauma Center at way point M028B.
- **Float Plane** Take off from the water start at False Island Misty’s Dock ICAO 2Z62. Be sure to load the stretcher that is sitting on the dock. Bearing from False Island to Lake Suloia is 225° for 18 miles, approximate altitude 3500’. There is a small forest fire in the immediate area that must be avoided due to unpredictable updrafts. Approach destination with extreme caution. Do not fly over fire area. This is a very small lake, and due to fires, approach and take off should ONLY be made from the southern arm of the lake. A local fishing boat is anchored in Bradshaw Cove at the southern approach and overheard the emergency call. The crew has lit a signal flare to help you find your way into the arm. The cabin is located at the NW end of the lake. Pick up the victim and transport to Tenakee Springs Trauma Center at way point M028B.
