

**RTMM MedEvac Dispatch #E029B
Equipment: Helicopter or Float Plane
Heart Attack at Bell 2 Lodge**

Special RTMM Scenery Requirements:

- Bronson Creek

Starting Location: *Bronson Creek*

- Amphibian: CAB5
- Helicopter: CAB5

Location of Emergency: Bearing from CAB5 is 062° for 43 miles.

Medical Destination:

- Amphibian: Stewart Trauma Centre (M030)
- Helicopter: Stewart Trauma Centre (M030)1

Nature of Emergency: Heart Attack

Emergency Location: Lat/Long N56 44.65 W129 47.74

Emergency Way Point: E029B

- **Instructions:** Set the GPS for way point for E029B. A man and a woman traveling North on Rte 37 stopped overnight at the Bell 2 Lodge. The woman had a heart attack and needs MedEvac to the nearest trauma center. Fixed wing aircraft will need to land on a short strip of road in front of the lodge that has been blocked off by the police.
