rtmm-objectlib-v0.5.1

An FS2020 Object Library from Return to Misty Moorings (RTMM)

This FS2020 add-on package contains an extensive common object library that is for sole use with RTMM FS2020 scenery packages. If you are not using a RTMM FS2020 scenery packages then you should not have this package installed.

INSTALLATION

1. If you have an older installed rtmm-objectlib-vx.x.x package, please remove that package from your FS2020 Community folder. Next, copy the rtmm-objectlib-v0.5.1 package folder and paste into your FS2020 Community folder.

2. Some RTMM scenes use objects (e.g. windsocks and flags) from a 3rd party package known as "Windy Things" by trfsto. If you don't have at least version 1.08 of the Windy Things add-on package installed, you might not be able to see these animated objects. Please go to this link to download the latest version of Windy Things:

https://flightsim.to/file/14024/windy-things
Note: User accepts all risk associated with this add-on scenery product.

3. Installation is now complete. You will not see any objects from the RTMM common object library unless at least one RTMM scenery is installed that uses the rtmm-objectlib-vx.x.x package.

COPYRIGHT AND LEGAL STATEMENTS (the following paragraphs pertain only to the use of the rtmm-objectlib-vx.x.x package)

Return to Misty Moorings (RTMM) is a freeware site made up of a volunteer team that creates fascinating and beautiful scenery locations in the RTMM "area". The RTMM area is currently defined as southern Alaska (bounded by Anchorage to the north and Homer to the west), southwestern British Columbia and western Washington state.

OBJECT LIBRARY RESTRICTED USAGE AND DISTRIBUTION POLICY

1. RTMM object libraries are the exclusive property of **Return to Misty Moorings** and may not be uploaded, shared, or redistributed in any manner, including scenery files, on any website or made available through an outside group or organization.

2. **Return to Misty Moorings** has been granted exclusive usage rights by various designers to convert, use and distribute their object and texture collections contained within the RTMM object libraries. Therefore in keeping with **Return to Misty Moorings** exclusive agreements with those rights holders, **Return to Misty Moorings** cannot, and will not, grant permission to any individual or group to upload, distribute, disassemble, de-compile, reverse engineer, share or use any object, texture or custom effects contained within any RTMM Object Library in whole or in part, in any manner whatsoever This policy also applies to the redistribution of certain scenery files that are available on the **Return to Misty Moorings** website**.**

3. **Return To Misty Moorings** requires that any individual or group must take care not to modify, call GUIDs, reference, extract or in any way make use of an RTMM Object Library in any software project or product.

4. **Return to Misty Moorings** reserves the right to pursue individuals or organizations who fail to abide by these guidelines and appreciates your understanding and adherence to these policies.

If a violation of this policy is identified, please contact contact@mistymoorings.com
