

## **El Capitan Lodge – 5C5**

### **Welcome to El Capitan Lodge**

*Just two hours by air from Seattle, nestled within pristine Sea Otter Sound on Southeast Alaska's Prince of Wales Island lies El Capitan Lodge, well-known for its excellent salmon & halibut fishing. From fully equipped, custom built 28' boats, you are provided with a safe, productive guided fishing trip. With over 30 years experience in the Alaskan lodge business, the management of El Capitan Lodge truly provides its guests with "The Ultimate Alaskan Adventure!"*

*Providing a memorable Alaskan fishing trip that exceeds your greatest expectations has always been our goal at El Capitan Lodge. We believe this starts the first time you contact us and should continue until your safe return home. We have been accommodating anglers for over 30 years in Alaska and have many corporate, family, group, and individual references available. We enjoy a return guest rate of 85% - 96% yearly.*

*There are two elements at El Capitan Lodge that we cannot, nor will we ever be able to control - Alaska's weather and the fishing. However, we can make educated guesses based on past years and we do so with great accuracy. The elements we do control - food service, room service, condition of our buildings and equipment, helpfulness of the crew, guest entertainment, fish processing, optional activities during your trip - we strive to make the best they can be.*

*Quality and service are the key to a memorable Alaskan fishing trip. And that's why we limit our number of guests — whether you're a seasoned professional or are new to the sport, we promise to provide you with an unforgettable stay. El Capitan Lodge strives to exceed guest expectations and to provide the Ultimate Alaskan Fishing Adventure. From the outstanding fishing and personable staff, to the accommodations and fabulous cuisine, you'll know you made the right choice. So, join us this summer at El Capitan Lodge. Come to Where Fishing Is Catching!*

*If you have any questions or need more information you haven't found on our site, please contact us via email or call us toll-free at 1-800-770-5464. We'll be happy to answer any questions or provide additional information about El Capitan Lodge.*

*Sincerely,*

*Scott & Nani Van Valin*

Here is the actual lodge:

Here is RTMM's dock complex:

We did not have pictures good enough to perfectly duplicate the actual lodge area, so we did some guessing. The dock area is nearly exact, but the lodge area is not exact at all. The real lodge, we are sure, is far more beautiful than we have portrayed it here.

We lit this one at night for your dusk flying pleasure:
