

George Inlet Lodge and Cannery

Welcome to the George Inlet Lodge and Cannery Locations by RTMM. Both locations are included in this single package. The locations are only about 3 miles apart on the southern shoreline of Revillagigedo Island (The island Ketchikan is on). Both sites have lively web pages and can easily be found on the internet.

We paid particular attention to the night time and evening/dawn lighting which brings both of these to life in the early darkness of the region 3/4th of the year. Only a short flight from Mistys Place (PF20) and Ketchikan (PAKT). Each has its own ICAO, the Lodge is GINT, and the Cannery is GINC. We hope you enjoy the locations and fly to them often.
