As of 2010 population is 88.

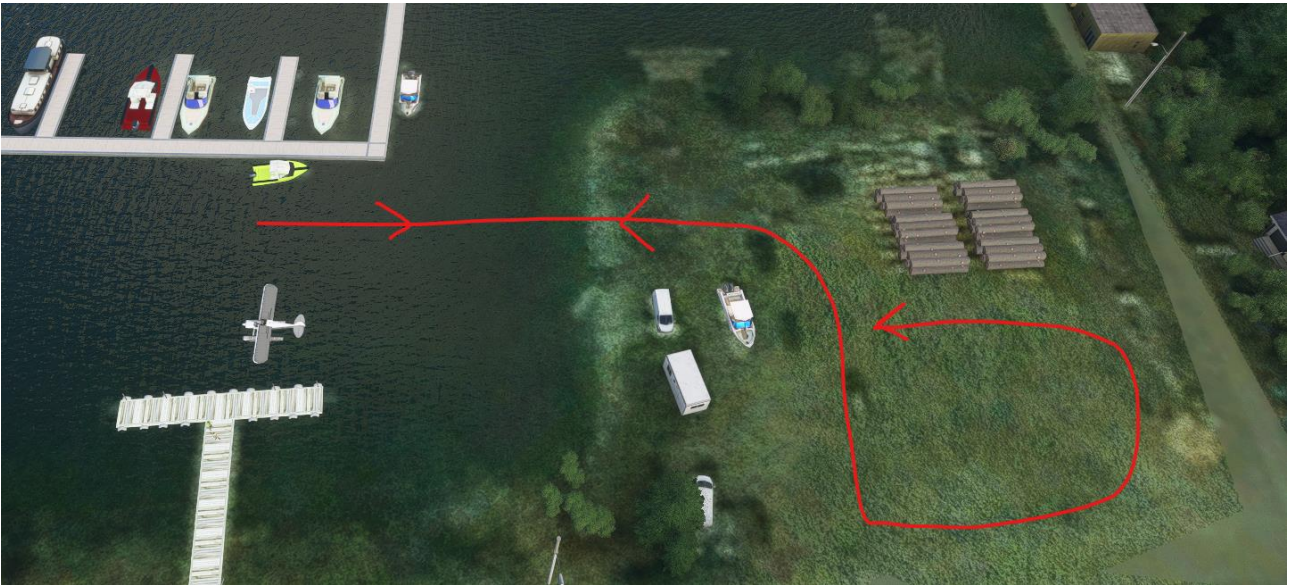

The local dock offers 1 small GA dock place. The exit is shallow and narrow, caution is to be used when exiting through the passage. Taxiing with lowered gear is a good idea.

Extra caution is required when operating under low light conditions as the breakwater is not lighted, be careful when maneuvering in and out.

The clearing to the N of the docking place can be used for amphibious ops and for a quick turn-around.

The local economy is based on the local cannery, fishing activities and some sportfishing tourism.
