

Port Alexander - PAAP

Port Alexander is located on the south end of Baranof Island, 65 miles south of Sitka. It provides a safe harbor during the gales and storms that frequent Chatham Strait. It is also an ice-free port during the winter.

Today Port Alexander is still a fishing community with a quiet, family-oriented lifestyle. Commercial fishing and subsistence uses of marine and forest resources constitute the economic base.

The docks #1, 2, 3 and 4 are available for any float or amphibian planes. The S Parking 5 is for amphibian flyers wishing to start from the land and access the water via a slipway.
