

Tongass Fjords Docks

Part B

Welcome to Part B of a two part series for Tongass Fjords Docks. The docks in this package are the following:

TF10 Pakes Landing Dock
TF11 Portage Bay Dock
TF12 Rowan Bay Dock
TF13 Scow Bay Dock
TF14 Saint Johns Dock
TF15 Sawginaw West Dock
TF16 Thomas Bay Dock
TF17 Tonka Mountain Dock
TF18 View Cove Dock

NOTAM: Remember POI's are the center of the Airport Runway, not at the actual site, which is close by on shore. So if you are chasing a POI, use it to get close, then start looking at the shoreline for the dock.

Most of this set of docks showed very well in Google Earth. TF15 was not clear, so that one is partially fictional. Thomas Bay Dock was the most interesting with the mining operation export dock. The most complex was Scow Bay Dock, a major import/export dock for the Petersburg area.

We have stayed very close to “real world” on all of the docks.
